Dear Supporter,

The Livermore Valley Winegrowers Foundation and The Wenté Foundation for Arts Education invite you to sponsor the 24th annual Livermore Valley Wine Auction, Wine Making a Difference, **an event that continues to support underserved children in the East Bay**. Since its inception, the Auction has raised nearly \$5 million for worthwhile local organizations.

This year's event will benefit four deserving programs: De La Salle Academy, a private, non-profit middle school in Concord that educates low-income boys with academic promise; Open Heart Kitchen, for their weekend lunch program for children who receive free school lunches during the week; Livermore Valley Performing Arts Center's Bankhead Theater, for local school outreach; and STEAM (Science, Technology, Education, Arts and Math) programs in our Tri-Valley school districts.

Please save the date for September 29, 2017 at the Wenté Vineyards Event Center on Arroyo Road in the Livermore Valley. The Livermore Valley Wine Auction features local wines and winemakers, a fabulous dinner, live and silent auctions, and dancing to live music. We are expecting approximately 400 guests including business and community leaders from throughout the Bay Area.

Thank you very much for your past contributions and for your consideration of a sponsorship for the 24th annual Livermore Valley Wine Auction. We look forward to seeing you on September 29, 2018 at Wenté Vineyards, in Livermore Valley Wine Country.

Attached is a list of sponsorship benefits.

Sincerely,

Christine Wenté
President
