Spring 2020

Dear Supporter,

The Livermore Valley Winegrowers Foundation and The Wentz Foundation for Arts Education invite you to sponsor the 26th annual Livermore Valley Wine Auction, Wine Making a Difference, **an event that continues to support under-served children in the East Bay**. Since its inception, the Auction has raised over \$5 million for worthwhile local organizations.

This year's Auction will benefit five deserving programs: CALICO, seeking justice and healing for abused children; Reins in Motion, providing equestrian therapy for children with illness and special needs; Exceptional Needs Network, providing camp experiences for local children with special needs; Livermore Shakespeare's "So Wise So Young" program for second graders throughout the Tri-Valley; and QUEST, the future science museum in downtown Livermore.

The Livermore Valley Wine Auction is a win-win-win-win for all participants:

- **Sponsors are effectively promoted throughout the year**
- **Guests enjoy an incredible black tie evening in wine country**
- **Winning bidders get access to exclusive wines and experiences**
- **And children in our region receive the help they need**

Please save the date for September 26, 2020! We look forward to sipping, savoring, and bidding with you at the Wentz Vineyards Event Center on Arroyo Road in the Livermore Valley. We are expecting approximately 350 guests from throughout the Bay Area. We're planning a fun wine country featuring local wines and winemakers, a fabulous dinner, live and silent auctions, and live music.

Thank you very much for your past contributions and for your consideration of a sponsorship for the 26th annual Livermore Valley Wine Auction. Attached is a list of sponsorship benefits.

Sincerely,

Christine Wentz
President
